DESERT CIRCUS PROGRAM STARTS TODAY

GRAND MARSHAL—Los Angeles County Sheriff Eugene W. Biscailuz, astride his famous Palomino "Pal," will lead the Desert Circus parade Saturday morning as Grand Marshal. His guard of honor will consist of 35 members of his Los Angeles County Sheriff's Silver Mounted Posse.

QUEEN BONITA—Bonita Granville, lovely screen star, will reign as Queen of all events of the 1953 Desert Circus. Pictured above, she is emphasizing Mayor Charles Farrell's proclamation urging Villagers and guests to GO WESTERN during the 4-day celebration.

THE SHERIFF—Ray Ryan, sheriff of the 17th Desert CIRCUS who is ready to ride herd on those without immunity buttons and those neglecting to go western. Kangaroo Court is slated for the Center Friday afternoon. Look out!

WRITER OF CONSCIENCE LETTERS SOUGHT HERE

Acting Postmaster Merritt Williams last week received a letter from Ben Hilbun of Mississippi State college asking his aid in locating a local woman who apparently has been sending "conscience" money to the institution.

The first letter, addressed to "A & M," the former name of Mississippi State college, was

By Phat

ODE TO THE JOB
On April sixteen, nineteen three, First made an honest buck.
That "honest" somehow bothers me
It really has been luck.
For while most people pay to play,
That sort of thing I shun,
For fifty years now and today
I'm paid for having fun.

The party was last week—but today is the day.

IT WAS FIFTY YEARS ago that I made a faltering speech at the old Ontario Record office, south of the tracks, and got a job . . . Three to six on school days, 7 a. m. to 6 p. m. Saturdays . . . The office was located in three rooms of an old building which originally housed a bank at the corner and a juice factory in the other two . . . Too bad it hadn't been a bakery shop . . . Dough in the front and dough in the back . . . But I thought I was in the dough . . . \$4 per week . . . And a free paper every Thursday . . . I swept floors, ran errands, sometimes spent all morning earnestly trying to locate a left-hand monkey wrench . . . Shunted from one store to the other.

THEN I GRADUATED to galley hop . . . Was allowed to handle the shiny linotype slugs . . . Spread ink on them . . . See **THIS SIDE**, Page 2A

postmarked "Palm Springs, February 20."

IT CONTAINED two \$1 bills and a letter addressed to the "president of A & M."

"My husband, long deceased, left the A & M owing about \$100 around Starkville, to whom I don't know. . . . It bothers me. I can only send small amounts but hope to pay it all eventually. Would you mind disposing of it? . . . I won't give you his name as he has relatives in the South who might be ashamed."

The letter was unsigned.

HILBUN'S LETTER to Williams said that he had no way of knowing whom in Starkville the woman's husband owed. "It apparently is not Mississippi State (then A & M). Since this person making these payments seems to be doing so at great personal sacrifice, we would like very much to find some way of contacting her and suggesting that she cease making the payments and use the money for her own needs instead."

"THE THOUGHT has occurred to me that you (Williams) might be helpful to us in identifying the sender of these small amounts of money. If you have any means of identifying the sender we would appreciate your suggesting how we might get a message to her."

Hilbun said that since receipt of the first letter in February they have received three others containing eight \$1 bills in all.

YOUR HELP STILL NEEDED FOR CHEST

Unless a last-minute influx of donations is received, the Community Chest fund drive will fall far behind its quota of \$41,000, President William Smith reported today.

Only \$29,077.56 has been received to date, with many of the last minute canvassers still not reporting. The Chest drive officially ends at midnight, tonight.

Final Police Chief Decision to be Delayed

Naming of a successor to Police Chief August G. Kettmann, who resigned, will not be done for at least three weeks, City Manager Russell Rink reported today.

All written tests have not been completed by the six leading applicants, and following that personal interviews will be conducted with the two most qualified men.

Two members of the local police department are among the six finalists.

Captain Orest Johnson is acting chief in the interim period.

Not Wild

So Don't Take Indians' Horses

Indian Agent Lee Odle warned today that persons taking horses from any Indian-owned land will be prosecuted for theft.

The horses located there are owned by the Tribe or individual Indians, and are not wild horses, he explained.

Square Dances to be Continued

Square dancing sponsored by the City Recreation department will continue throughout the month of April, Director Howard Haddock announced today.

Dances are held each Tuesday evening at the Frances Stevens school, from 8 to 11 p. m. Walt Bauman is the caller.

Haddock asked that the interest shown in square dancing be continued the next two weeks, to insure the renewal of the program next Fall.

4-Day Program of Fun and Entertainment Under Way

Desert Circus fun starts tonight for thousands of Villagers and visitors who are expected to attend the traditional Circus events and witness the gigantic parade Saturday morning.

Four fun-packed days are promised by Co-Chairman George Strebe and Milton Hicks.

Tonight, everyone is invited to go "On the Town," visit all the cabarets or night clubs in Palm Springs. It's a preview of the fun and enjoyment which everyone will enjoy during the succeeding three days—at the Kangaroo court, Beaux Arts Ball, Desert Circus parade down Palm Canyon drive, Kids' Carnival at Frances Stevens school, Carnival and Dance at Wares Memorial building, and Wild West Show at the Polo Grounds.

THE MOTIF at each night spot will be Western, and everyone out "on the town" is urged to wear western attire. This western atmosphere is to continue through Sunday, in line with the official proclamation by Mayor Charles Farrell for everyone to "GO WESTERN."

One of the most popular features of all Desert Circuses—the Kangaroo Court—will be held at noon Friday, with the court set up in The Center. A barbecued

chicken luncheon will be served, while the court is officially in session.

Sheriff Ray Ryan and his beautiful deputies will circulate throughout the town Thursday night and also Friday morning and early afternoon—looking for victims who are not wearing their immunity buttons to bring before Frank Bogert and Leo Fields who will be "tough judges."

BUTTONS ARE NOW on sale at any business place in the Village or from one of the shapely deputies—and will spare the wearer from hearing the sad verdict from the Kangaroo Court Judge that "You're fined \$8888."

On Friday evening is the Beaux Arts Ball at the Tennis club, sponsored by the Desert Art Center.

The Parisian street scene setting will be emphasized by the backdrop designed and painted by Artist William Darling, and

Four Candidates in Field for School Board Position

Residents of Palm Springs Unified School district will have the names of at least four candidates on their ballot when they go to three polling places May 15 to elect one member of the board.

Four had filed for the position as the final day opened Wednesday. Deadline for filing was last night at the county school superintendent's office.

ON THE BALLOT, as of Wednesday noon, were Carl R. Emerson of Cathedral City, incumbent, who was the first to file, Nancy H. Tuttle, Val Blatz and H. A. Harris. The latter two filed their nomination papers Tuesday. Blatz and Mrs. Harris are residents of Palm Springs and Harris lives in Rancho Mirage.

It has been the custom in recent years of electing one trustee from outside the confines of Palm Springs city limits. Emerson, the only member of the board whose term expires this year, is a resident of Cathedral City.

THREE PRECINCTS have been established for the election, at Frances Stevens school for all of Palm Springs and Thousand Palms; Desert Hot Springs school for Garnet county precinct; Cathedral City school for precincts in that area extending to the eastern boundary of the school district.

Polls will be open from 7 a. m. to 7 p. m. Absentee ballots may be obtained by applying to the county clerk between April 25 and May 9. They must be voted on or before election day, May 15.

Palm Springs One, Two in Master's Play

(Photo on Page 6a)

Palm Springs finished one-two in the Masters' Tournament at Atlanta, Georgia, last weekend as Ben Hogan of Tamarisk and Ed Oliver who registers as from El Mirador, Palm Springs, took first and second.

Hogan broke the tournament record with a 72-hole score of 274, five under the old record. Oliver shot a 279 to tie the course record but fell five behind Hogan.

Hogan broke par 72 on every round. He shot a 70-69-66-69—274.

City Hall

Council, Planners to Discuss Sites

City council and the planning commission will meet Tuesday night to discuss possible site locations for a new city hall or civic center.

The planning commission requested the meeting to ascertain council plans for development of roads.

After a decision is reached, Architect John Clark will prepare plans for the proposed structure, according to City Manager Russell Rink.

Scotchlite

Jaycee to Install Safety Device

Junior Chamber of Commerce will start a "scotchlite" program in the Village next week. President Bill Foster announced today.

The club will install the reflectorized paper on bumpers of cars, with stations located in parking lots throughout the city on weekends.

Picnic Tables

Put in New Park

Five barbecue pits and six picnic tables have been added to facilities at North End Park for the convenience of visitors. City Recreation Director Howard Haddock reported today.

Lights at the tennis courts there will be installed and ready for use by June 1, he said.

CHAMBER TO GET FINAL DRIVE REPORT TODAY

Palm Springs Chamber of Commerce will be host to all workers in the current campaign for the Palm Springs Visitors' Center building fund and an enlarged budget for the Chamber program, at a final report luncheon today at noon in the clubroom of the American Legion building, 400 North Belardo road.

The announcement was made by President Frank Prince, and General Co-Chairmen Herman Reich and Joe Gamble. The luncheon is scheduled as the

The PUBLISHER'S Corner

PALM SPRINGS HIT THE JACKPOT of Goldom last Sunday when Tamarisk's Ben Hogan won the Master's Tournament at Atlanta, Ga., and El Mirador's Ed (Porky) Oliver took second. The Palm Springs pros not only led the field but Hogan broke tournament record with a 72-hole score of 274 and Porky tied the long-standing record with a 279. Oliver was the only player in the famed Masters that Ben Hogan couldn't shake off, although Ben led his crosstown rival four strokes as he started on his record breaking last nine holes.

With these two men registering in from Palm Springs and walking off with first and second money this resort area has burst into the limelight of goldom. Through their victories Hogan and Oliver have focused attention on this fast-growing winter capital as nothing else could have done. With the building of the two new golf courses—and the re-opening of El Mirador—this area is advancing by leaps and bounds into national recognition as a leading winter resort.

An indication of the interest in golf is the word that some 27,000 saw the play in the Masters Tournament, over 12,000 were cheering Ben Hogan as he came down the last nine to break the tournament record. And the gallery fee was raised to \$7.50 the final day!

Indeed, we have had a great break in sports this season. Hogan and Oliver played here in Thunderbird's \$10,000 pro-amateur along with Lloyd Mangrum (who took third place in the Masters) and Byron Nelson. Much publicity was given to the contest here between these four great golfers and many other famous pros who were also entered in the Master's. Ralph Kiner's contract negotiations kept Palm Springs in the spotlight for weeks, as he is a regular winter resident here.

O'Donnell course just completed its Palm Springs Invitational and Women's Invitational and right now the top women pros of the country are attracting more nation-wide attention to Palm Springs in their tournament at Tamarisk.

One needs only to turn back to the Palm Springs of a few years ago to realize what strides forward the whole Palm Springs resort area has taken since the two 18-hole golf courses have been built. And the main reason these courses have been brought so rapidly into renown is through the energy and foresight of the men who backed and built them—and of the men who have been saying for years that Palm Springs can become one of the nation's most popular golfing areas.

OCEANSIDE AND PALM SPRINGS are now linked more closely through the completion of the Anza link from the Palms (Please turn to page 2)

Gunman Robs Village Man, Locks Him Up

Victim Held in Clothes Closet More than Hour

Roy E. Taylor, 285 North Indian avenue, was robbed of \$180 at gunpoint and then locked in a closet in his room shortly after midnight Tuesday.

Taylor told police that he returned home at 12:30 a. m., and upon entering the room and crossing over to the other side, was told by someone who had been hiding behind the door that "this was a robbery."

He was then ordered to take off his shirt and trousers and forced into a closet which was blocked shut by a chair. The suspect then took the money from a wallet in Taylor's trouser pocket.

The victim, unable to release himself from the closet, attracted attention of another tenant at 1:45 a. m., and reported the robbery to the police.

Investigating officers believe that entry to the room was made through a window.

SPEAKER—Robert Compton, past president of the South East Real Estate association, who will speak at California Real Estate association conference at San Bernardino Tuesday.

Village Realtors to Hear Leaders

More than 25 local realtors and their staffs are expected to attend the one-day educational and sales conference of the California Real Estate association at San Bernardino next Tuesday.

George Gannon, president of the local real estate board said yesterday.

Gannon said that several local real estate offices will be closed for the day as the entire organization attends the sessions which will be held at San Bernardino Valley college.

Of outstanding interest will be a panel session on which five realtors, representing the five National association institutes will be participating. This session will include a review of sales and rental trends on residential, farm, commercial and industrial properties.

Hidden Wallet Found, \$7 Taken

Theft of \$70 from a wallet in her house at 438 South El Segundo was reported to police Sunday by Gracie Mae Hollinshead.

The theft occurred between 12 noon and 12:10 p. m., while she was taking a short walk. The wallet was hidden in the house, she said.

Dentists to Attend Scientific Session

Several local dentists are planning to attend the 56th annual Scientific meeting of the Southern California State Dental association in Los Angeles next week.

The meeting opens Monday at the Biltmore hotel and concludes Wednesday.

NAB FIVE WETBACKS

Five Mexican "wetbacks" arrested by Officer Robert Flavin Thursday afternoon were released to Border Patrol officers early Friday morning. The "wetbacks" were discovered at 3333 North Indian avenue.

SECOND HALF-TAX DEADLINE MONDAY

Don't forget—Monday is the day and midnight is the hour. After midnight Monday second half county property tax payments will carry a six per cent penalty plus a charge of \$1 per parcel for printing in the delinquent tax list.

V. M. Hyde, county tax collector, reminded all property owners again this week that payment of the second half county tax bill must be made by Monday to avoid penalties. The bill is for the current fiscal year which comes to an end June 30, 1953.

scattered throughout the tennis courts where the festivities are scheduled will be little French shops selling crepes suzettes, French dip sandwiches, seafood cocktails, meats, wine and cheese, coffee and milk.

The immunity button will also serve as admission to the Kangaroo Court in the role of a spectator.

HIGHLIGHT of the ball will be the crowning of Bonita Grayville, lovely screen star, as official Desert Circus queen. Queen Bonita will reign over all Circus events.

Costumes for the ball are not mandatory, but are encouraged to complete the Parisian theme. Saturday morning, starting at 10 a. m., at El Mirador hotel entrance on Palm Canyon, will be the traditional Desert Circus parade. This will be one of the most colorful and attractive in the Circus' 17-year history, according to Jimmy Cooper, chairman.

LOS ANGELES COUNTY Sheriff Eugene W. Biscailuz, astride his famous palomino, "Pa," will lead the parade as Grand Marshal.

Salary Increases for Justice and Constables Fixed

Based on population increases and larger case-loads, constables and judges in most of the county's 14 judicial districts will enjoy salary hikes starting the new fiscal year which begins July 1.

Majority of supervisors Monday reached agreement on a new higher pay scale for judges and constables following submission of a report by County Clerk C. A. Pequegnat, head of a committee named to study the situation.

Salary of judges are based on the number of cases handled, those of constables on the size of the judicial district.

According to the tentative decision, the salary of the judge in Palm Springs judicial court will go from \$300 to \$350 monthly and that of constable in the local district to \$225.

The Palm Springs judicial district was recently enlarged to take in Desert Hot Springs and Palm Desert.

Judge E. E. Theriault presides over the judicial district court and Fred Duffey is constable.

Ramona Pageant Opens Saturday

Hemet and San Jacinto are preparing to play hosts to a record first day throng for the opening Saturday of the 1953 Ramona Outdoor Play in the Ramona Bowl there. Advance reservations indicate that most of the 6000 seats of the bowl will be filled.

Preparations are complete to welcome Governor Earl Warren, scheduled to be the guest of honor for the fifth consecutive year at the opening performance and the annual Press Dinner that evening at the Hemet fairgrounds.

To improve seating conditions, General Manager Milton R. Nims announced today that all seats will be reserved this year, with a block of 1300 former general admission seats to be placed on sale at the bowl box office the day of each performance. There will be no advance in prices.

Hayden Spurns His Nameplate

The controversial name-plates for county supervisors table made their appearance last week. But one quickly disappeared. It was that before the place of Supervisor Irwin Hayden.

In a heated dispute last week when Hayden and Supervisor Sherman Lewis "took a walk" Hayden said they'd have to take him to court before he'd sit behind the name-plate.

No action toward taking him to court has been indicated.

Pay Hike Given to Non-Strikers

California Electric Power company last week announced pay increases of 5 per cent or \$15 monthly—whichever is greater—to all employees of the company not on strike.

The strikers who refused a similar offer, have returned to work but the issues of the strike are not settled.

Baby-sitting will also be provided by Girl Scouts, under adult supervision, at the Frances Stevens kindergarten playground.

HIGHLIGHT of the Circus will be an old-fashioned Western Jamboree at the Wars Memorial

building, featuring dancing to the music of Jimmy Wakely and Nappy Lamare, famous western recording stars.

Along the streets outside the Legion building will be carnival booths operated by members of Palm Springs service clubs. On Sunday afternoon, Los Compadres will sponsor the most outstanding Wild West Show ever to be presented here, at the Polo Grounds.

QUALITY QUINTET—Five beautiful voices, expertly blended in song, have made the Kirby Stone quintet popular in top spots throughout the nation. These five young men, who open at the

50 Days, Suspended, Echoes Theft Case

CBS Writer Here Compiling Material

Ralph Storey, network radio entertainer over CBS, is spending four days vacationing at El Mirador hotel.

While here, he will gather material for future broadcasts of his program sponsored by the Bank of America.

Varied Program Opens at Chi Chi Tomorrow Night

A varied program including the Kirby Stone Quintet, Elisa Jayne the dancing satirist, and Paul Gray the straight-faced comedian, opens at the Chi Chi tomorrow night.

Suave Paul Gray, who has been termed the season's funniest comedian, dishes up his comedy mixed with subtlety, and is quite likely to mix five-syllable English with rib-tickling vernacular. Gray, who has frequently been described as looking more like an undertaker's assistant than a comedian, has a laugh-provoking trick of slipping in a punch line unexpectedly.

Elisa Jayne, an acrobatic comedienne, has an act of acrobatics along novelty lines, particularly her terpsichorean impression of Bette Davis. The lissome danseuse is rated an audience-pleaser, and played at the Latin Quarter for 14 weeks.

An important part of the new Chi Chi program is the Kirby Stone Quintet, that offers something new in musical entertainment. The skillful blending of their trained voices and their selection of songs have rated them as favorites from coast to coast.

Two Villagers Join in New Buck Rogers Corporation

Exclusive rights to Buck Rogers, except for the cartoon strip, have been sold by John F. Dille of Chicago to a group of four men who plan to exploit the Buck Rogers name in TV, a 3-D color film, and merchandising of Christmas toys, it was announced this week.

The four men participating in the transaction, which involves several million dollars in the selling of rights and royalties, are: Robert S. Howard (millionaire sportsman and owner of Palm Springs Howard Manor); Louis J. Meunier, millionaire paper mill owner from Pennsylvania; another Villager, motion picture attorney Max Gilford (whose wife is lovely Ann Gwynn); and Bert D'Armand, prominent motion picture and TV producer.

Three different corporations have been formed to conduct the mass of planned business. Buck Rogers TV Productions Inc. will handle all radio, live and film TV, and stage productions;

Buck Rogers Theatrical Productions will deal exclusively with feature pictures; and Buck Rogers Merchandising Corporation will manage all merchandising tie-ins.

It is planned to open executive and casting offices at Hal Roach Studios where production will immediately commence on 26 one-half hour Buck Rogers motion picture films for TV. Planned also is a full length three-dimensional feature film in color dealing with the adventures of Buck Rogers.

A radio program is contemplated, too, which when present negotiations are completed will emanate from New York City.

Exploitation of the Buck Rogers name in merchandising is already progressed with such rapidity that by Christmas, this year, toys, games, clothes, and other juvenile commodities bearing the Buck Rogers name will be selling in most retail stores all over America.

Narcotics Film Shown by Jaycee at School, Church

More than 600 persons attended programs on "Narcotics" presented by the Junior Chamber of Commerce at Palm Springs Community church Sunday evening, at a high school assembly program Monday morning and an afternoon session for teachers and parents.

The speaker, Henry B. Hall, executive secretary for the Narcotic Educational Foundation of America, stressed two steps in curbing the illicit use of drugs: Educating the public and more strict legislation.

The local Jaycees joining other clubs in California, has appealed to the state legislators to strengthen the laws pertaining to narcotics.

Alexander Wolonow Sees Greatest Growth in West

"California is draining the East of its population. It has been doing that for more than a decade and is still continuing to do so."

That observation came from Alexander S. Wolonow, a young man of 40, only five feet, five and one-half inches tall whose very optimism about the future of southern California and Palm Springs is so contagious he has already invested thousands of dollars in real estate, money of his own and that of others living in foreign countries, particularly South America.

WOLONOW IS THE HEAD of a syndicate of investors who own the Rossmore hotel and who recently purchased the Lantana lodge. He is the head of the Argentina Investment Syndicate with offices in Los Angeles, a syndicate that has purchased a considerable amount of property in and around Los Angeles.

Wolonow, who was born in Poland, reared in France, and who went to work at the age of six, entered this country via the Argentine where he spent a considerable time as a young man, then on to Canada and then the United States.

IN THE IMPORT and export business both in the Argentine, Canada and this country, Wolonow's uncanny ability to value human beings with whom he transacted business in many foreign countries in South America, China, Japan and other Eastern countries, gained for him in turn their trust.

This faith in the little man, who no doubt shaves his head, (a South American and European custom) was recently in Los Angeles papers when the syndicate he headed purchased the St. Francis Apartment hotel on Hollywood boulevard for \$600,000.

WOLONOW WHO SPEAKS with a conglomerate accent when using the English language which smacks of South Americanism, French and the tone of English used in Canada imbues one with a feeling that he is living in the right spot in this United States of America.

"Why," he declared enthusiastically, "the population of the East is being drained of its population by a Paradise called California, particularly southern California."

He went on to say that he is in receipt of thousands of dollars monthly from former export clients in South America who want to invest money in this country and "they want me to do the investing right here in southern California."

DURING THE INTERVIEW with a Desert Sun reporter, he cast a longing glance at one of the biggest hotels in Palm Springs.

OPTIMISTIC — Alexander S. Wolonow, head of syndicate owning Rossmore hotel, who is enthusiastic about future of Palm Springs.

money invested by him in southern California.

HE ARRIVED in Los Angeles in 1946 and purchased a 50 per cent interest in the California Fabric Import-Export company and became its president. In 1948 he formed the General Fabric company. He was ready to take life easy again when he met Real Estate Broker George L. Marks. Then his fantastic real estate dealings began to take place.

He believes that prices of real estate in California will continue to rise. He points with logical argument with the following statement:

"It is not just we here in California who are anxious to buy but millions of others are too."

IN A MATTER of hours by just using the telephone, he says, he can form a syndicate that will be capable of buying anything offered for sale.

Recently to prove to the last statement, in an interview with Jerry Maher, financial writer for the Los Angeles Mirror, he flashed a fistful of checks, some of them with a face value of \$50,000.

About Palm Springs he had much to say, using every superlative he is capable of mastering in English but many of them in French.

"I'm investing my own money in Palm Springs. This Palm Springs is the Paradise of Paradisees and with a brilliant future."

Villagers Buy Two Large Business Parcels in Hemet

Purchase of two large parcels of business property in Hemet by a group of Palm Springs residents was disclosed this week. Joining in the venture were Paul Kellerblock, winter resident from Seattle, A. R. Simon, Monte Herbert and O. B. Jaynes. The property lies along both sides of San Jacinto a block from Florida avenue, the main business street of Hemet. Also purchased were two smaller parcels which join the rear of the larger pieces to the nearest side street. Construction was to be started this week of a new Stater Brothers market on land adjacent to the land purchased by the local group.

Plans for development of the property with stores and residential units were being considered by the group. George Forman, building contractor of Palm Springs accompanied the group on a recent trip to Hemet to assist in the preparation of plans.

Several other Palm Springs residents and business men have acquired property in the Twenty-nine Palms area in the past year. Stack Chevrolet and Palm Springs Lincoln-Mercury Company are operating branches there and Irwin Schuman has acquired ground for a projected Chi Chi restaurant there.

Relax Portion of Building Code

Supervisors last week relaxed some of the strict provisions of the county building code and will allow old buildings to be moved into the county in areas not covered by the code.

Jones Has Idea to End Quarrels

Chairman William Jones of the county board of supervisors Monday announced a new plan to stop verbal battles at official sessions. His ruling followed seven hours of debate a week ago which was climaxed with the abrupt departure of two members.

Hereafter, Jones said, when the debates descend to personalities and name calling he is going to pound his gavel on the table. And if that doesn't do it, he's going to call a ten-minute recess for a cooling off period.

Tamarisk Tee Time

By Bobby Tonge, Jr.

It's rather hard to believe that the fabulous sport career of Mildred "Babe" Durickson Zaharias has come to such a tragic end.

The abruptness of the news was a stunning blow to the sports world in which the "Babe" was known as the greatest all-time woman golfer and all-round athlete. She is loved and respected the world over.

Probably nowhere was her tragic illness felt more than here at the Tamarisk club where she was expected to play in the first annual Palm Springs Open for women. For it was here in Southern California that Babe began her climb to the top of golfdom.

She was no stranger in Palm Springs for she won the O'Donnell women's invitational as she built the game that carried her to the National and British amateur championships. Following that there was nothing left in amateur golf so she turned professional.

Patty Berg and all the other girls making up the field in the cross-country Weather-vane tournament were outwardly affected by the tragedy that struck in the midst.

Babe has had a most colorful sports career, the stories of her prowess and great competitive heart are legion throughout the world.

She was an outstanding player in baseball, basketball, track and golf. She started a tennis career here in Southern California. She showed promise of going right to the top of court rankings. However, she had her heart set on being a national amateur golf champion and gave up her tennis ambitions when she felt it was destroying her golf game.

Babe was introduced to golf while winning worldwide fame in the 1932 Olympic Games in Los Angeles. A few sportswriters, not yet realizing the great competitive spirit that is hers, took her out to a golf driving range for laughs.

The laughs were turned on them as the Babe, never having made a golf club in her life, made good her boast of how far she could hit a golf ball.

Those few shots fanned her interest in the game and she began taking lessons. Shortly after, her professional being Stan Kertis, now the teaching assistant to Ben Hogan here.

Her athletic career may have come to an end, but the sports world knows her great competitive spirit will keep her forever battling to return to sports warfare she loves so well.

Tomorrow the top golf professionals of Southern California club their three-day trek in the club's 54-hole \$5000 pro-amateur and there promises to be much excitement around the club.

Each visiting professional will bring a member of his club and will also be paired with a host club member. A number of invitations have been extended to members of outside amateurs in order to complete the field.

Among the well known pros is Willie Hunter of Riviera, former British Amateur champion, who will have the colorful General H. C. Moncado as a partner.

Here from off the circuit is Ralph Blomquist of Oakmont, where he has a record of 13 under par, 59, to his credit.

At this writing Jerry Barber and Joe Kirkwood, Jr. were expected to make flying trips home from circuit activities and might be added starters.

There'll be Eric Monti of Hillcrest C. C., Jimmy Hines of nearby Thunderbird, Zell Eaton of Montebello paired with Irving Cooper.

Paul Runyan of Annandale, two-time former National PGA champion, and Hampton Auld of Apple Valley are among the top threats in the best ball play, that should be a heated contest.

Local club members expected to give their pros some help are the father-son combine of Carl and Art Anderson, President M. O. Anderson, Lou Halper, Larry Norton, Dr. Peter K. Thomas, Mill Hicks and Buddy Morris.

Little Ralph Evans of the Victoria and Pat Martin teamed to set a new course record. Playing together, Evans had a four under par 32 out with a bogey on No. 8. Coming in Pat had a 34 as Ralph went for a 38 with a three-bogey finish for a 70.

Johnny Dawson hosted about 25 members of the Trans-Mississippi Golf Association at the club including former president Jack Allgaier of Omaha, Bob Goldwater of Phoenix, Arizona and Jimmy Hines.

Mrs. John Burke, wife of the songwriter, has been taking lessons from Pat Martin and has a mighty fine swing for tournament play.

Betty Hutton has been playing the course with her guest, Father O'Donnell.

Actor Ray Milland was a playing guest of Mervyn LeRoy and David Rose.

Johnny Weissmuller tried the course during the week while his wife, Alene, was competing in the O'Donnell invitational.

Mrs. John Duffy was called home suddenly upon the death of her father. This is the third death in three months among the Tamarisk staff members. First death was Duffy's father and recently George "Scorpy" Boyle's brother.

It is needless to say that all club members were elated at Ben Hogan setting a new 54-hole record of 205 in the Master's tournament and needing only to coast in for the win. Four strokes back of him at that point was another Palm Springs representative, Porky Oliver.

Thrills and Spills for Large Crowd at Legion Bike Races

A large and enthusiastic crowd watched the second annual Owen B. Coffman post, American Legion, bicycle races Sunday at the Polo Grounds. They saw a spectacular spill and some thrilling races, and applauded a "slow race."

The afternoon began with a large field of excited competitors on the Intermediate school event sponsored by Pete Sheptenko, realtor, who presented the prize and then followed a full afternoon of events closing with the consolation race for visitors who had not won a prize.

EARLY IN THE MAJOR event, the five-mile senior race with a field of 12 riders, George Baker touched his front wheel to the rear of another bicyclist as the riders fought for positions on the first turn. Baker went down with his vehicle and was run over by a following rider. Baker was temporarily out and the race was halted. After treatment by Legionnaire Nurse Angela Bodron at the first aid station, he insisted that the race be re-run and finished a strong third.

The featured "show race" between Pete Sheptenko and George "Gannon" was almost called off because Gannon could not be there. But City Manager Russell Rink, official starter, said any city employee could beat a realtor and volunteered to substitute. Then he went on to win the event.

Intermediate school age. Three quarter mile heats: First, Joe Jenaro, 10 points; second, James Laback, 9 points; Lando Darling, 5 points; Eugene Roemer, 4; Garry Bault, 3. Open, Sheptenko, sponsor, presented prizes to the winners.

Senior Open, Five miles—Charles Thompson, Bell Gardens, 20 points; James Hartung, San Diego, 10 points; George Baker, 10 points; Junior High Handicap—Art Sanchez, Robert Avila, James Harris.

The tournament was concluded late Wednesday afternoon.

Tied for third with 76's were Helen Dettweiler of Thunderbird, and Louise Suggs of Atlanta, Georgia, 1953 leading money winner.

GLORIA FECHT REPEATS IN O'DONNELL TOURNNEY

Gloria Fecht of Thunderbird repeated as champion of the 18th annual Palm Springs Invitational Golf Tournament at O'Donnell Golf Course, but it took a par 4 on the final hole Sunday to give her the title.

She was tied with Mrs. Johnny Weissmuller of Lakeside Golf club, after the first 35 holes, and captured the championship by taking a par 4 on the 325-yard hole, while Mrs. Weissmuller missed a putt and took a five. Scores were 155 to 156.

Miss Fecht led at the end of the first 18 Saturday with a 79, one stroke better than Mrs. Weissmuller. On the first nine Sunday though, Mrs. Weissmuller went ahead by two strokes as she shot a 37 and Miss Fecht took a 40.

Then came the final nine, and Miss Fecht had the edge, coming into the 18th and final hole.

Jo Gardner of Los Angeles Country Club and Lois Schrader of Fox Hills 79-73 tied for third with 150, and Elvira Schaefer of Annandale 81-80 won fifth with 164.

In low net in the championship flight, Jo Gardner and Helen Humphrey of Fox Hills tied for honors with 160-10, and 172-22 respectively.

Desert Court Plan Okayed in Assembly

Committee Vote
Favors Fourth
Superior Court

Another step toward establishing a permanent department of county superior court for the desert area was taken this week in Sacramento.

Riverside county Assemblyman Lee Backstrand reported that the assembly judiciary committee had approved a superior judge for the county branch at Indio. The bills which provide for the judge will now go to the assembly ways and means committee for study and action.

The judge will be the county's fourth. The present three superior court judges sit in Riverside, the county seat.

County supervisors and the county grand jury recently asked the state legislature to provide the additional judge and place him in Indio.

They said that the judge is needed because of the rapidly increasing population of the county.

They said the judge should go to Indio because the population there is large enough to justify a department of the superior court. They said the citizens there should no longer be required to travel 75 miles or more to reach a superior court.

Disabled Vets Entertained by VFW Auxiliary Here

Luxurious El Mirador hotel, which sheltered hundreds of patients during its war years as Torrey General hospital, gave six patients from Long Beach

Veterans hospital a day to remember Tuesday.

Five of the patients were in wheel chairs and were brought down in Red Cross station wagons, attended by hospital nurses for a day's outing, arranged by the Auxiliary of Frontier Post Veterans of Foreign Wars.

El Mirador's genial Manager Rudi Sidler hosted a poolside luncheon for the visiting veterans, offering them anything they wanted. Madeline Pointrou, hostess of the South Pacific Room, and Carl Schroeder, pool manager, and other hotel personnel, joined forces to help make it a gala day.

Katherine Spargur, Auxiliary president, and Beatrice Martin, hospital chairman, acted as hostesses, representing the Auxiliary. Katherine Olsen, portrait artist, who has drawn and donated thousands of portraits to disabled veterans and who with Mrs. Martinsen originated the project of bringing the veterans to Palm Springs, drew and donated a portrait of one of the patients.

Waller Date Ranch in Wonder Palms donated a case of dates and a sack of grapefruit to take back to the hospital.

He reported to police that his horse had strayed from where it was stabled at Rogers Ranch Stables, but added: "I don't think he'll wander far as he was raised around Palm Springs."

Five hours later, Officer Jim Clarkson found that Butler was right, for he located the horse about two blocks away, on Via Pasatiempo.

Shadow Mountain club is winding up the winter season with a "bang"! Next Saturday, April 18, will be the third annual Dixie Ball—a plantation fun party—southern hospitality with a desert accent. There will be seven acts of minstrel amusement with "Banjoker" Art Todd and "Darktown Dottie" Todd plus local talent "Southern Style." Prizes for authentic and comical colored getups. Cotton will prevail—so wear it.

The next big "Shindig" is the Circus Party on May 2. Then comes the Fifth Annual Tahitian Luau on the 16th of May. This party which will be held outdoors by the pool, will be the "Springboard to Summer"—the season of warm sun-filled days, cool evenings, outdoor movies, moonlight swimming and dining under the stars! From then on the Shadow Mountain club pool and outdoor dining room will be open all Summer.

The Tahitian Luau will also be a farewell party to the Todds who have furnished the music for the club ever since it opened over five years ago. Art and Dottie Todd have signed a long-term contract with the American Broadcasting company featuring their own show from 2:05

to 2:30 p. m., Monday through Friday, starting April 20. Their latest Victor record, "Broken Wings," has sold 100,000 copies in England!

The farewell dinner last Sunday night, honoring the Rev. and Mrs. John Robertson Macartney, drew a crowd of over 100 residents and friends. Dr. Martin Baker, the new pastor of the Palm Desert Community church, gave the opening prayer. Carl Henderson spoke about the first services held in Palm Desert before the church was built. Another speaker was George Schermer, missionary from India and an old time friend of the Macartneys. The Todds sang the Macartneys' favorite song, "The Tennessee Waltz," and when Dr. Macartney made a remark about getting away, they couldn't resist singing "You'll Never Get Away, You'll Never Get Away." Dr. Macartney then introduced Mrs. Charles E. Dant from Palm Springs, who has donated so much to the building fund for the church. Then Mr. Floyd Mitchell and Cliff Henderson spoke on the history of the Palm Desert Community church and the Macartneys were presented with a generous check as a parting gift.

Mrs. Tiss Back at Desert Bank

Eunice Tiss, who was a member of the escrow department of the Desert Bank here before the indio office opened, has been transferred back to the Palm Springs office where she has again assumed charge of the escrow office. She has been a resident of Palm Springs for several years.

Shaler Wilder of Indio has been made escrow officer at the indio office.

Each campaign worker has been urged to bring the largest possible number of subscriptions to the Thursday luncheon, to help swell the total to the maximum amount that can be obtained.

Every member of the Chamber also was urged to make certain that his own subscription to the Visitors' Center project is turned

in by Thursday noon. The Chamber is asking each member to subscribe to that fund an amount at least equal to his annual Chamber dues.

FURTHER PRELIMINARY reports were turned in by the workers at a report meeting held Tuesday morning at the American Legion building, but most of the workers have been holding back their reports until the final report session Thursday. Leland Scarlet New Manager at Del Tahquitz Hotel

Del Tahquitz hotel announced today the appointment of Leland Scarlet as manager. Scarlet, no stranger to the Village, worked at Del Tahquitz during the 1941-1942 season, also for Earl Coffman at the Ahwahnee hotel in Yosemite. During his 15 years in the hotel business, Mr. Scarlet worked at the finer hotels in the California, Oregon, Washington area. For the past seven years he was in complete charge of the renovation program and management of the Fremont hotel in Red Bluff (California), the Maywood hotel in Corning (California) and the Willard hotel in Klamath Falls, Oregon. At this time he is president of the Southern Oregon hotel association, where early this week he attended the joint Oregon-Washington convention at Spokane. Very active in all community and civic affairs, Scarlet hopes to continue his activities in the Village. Great plans are in the making for the Del Tahquitz during the coming season, Scarlet disclosed, and a new program is now being mapped out for stepped up activities which should be ready to go in the very near future.

Scarlet has two children, Leland Jr., seven years old and Linda, five years old, who will join their father here in time for the next school year.

DWI and Drunk
Charges Listed

Leo Hawkins, 32, 735 Date street, was arrested for drunken driving and two companions were arrested on drunk charges at 11:45 p. m., Sunday, by Sgts. Jim Maynard and Dale Thompson of the local police force, and Sheriff's Deputy Ray Youngberg.

Arrested on drunk charges were Izell Anderson, 35, and Tommie Strong, 39, 463 East Arenas road. Youngberg reported that he had followed Hawkins' car from Yorba road to 1708 North Palm Canyon drive, where he had the vehicle stop, and then requested the aid of local officers in making the arrest.

Hawkins was fined \$150 at a hearing before Judge Eugene Theriault Monday.

Used Car Without
Consent, Jailed

Frances C. Smith, 54, 432 North Calle Encilla, was sentenced to 60 days in county jail, 40 days suspended, by Judge Eugene Theriault, on a charge of using a car without the owner's consent.

Smith was arrested on complaint of Joseph Tebo, who told police that she had taken his automobile without his permission.

Fathers and Daughters Day Tops Lions Club Programs

Palm Springs Lions club held one of its best meetings of this season at the Tennis club last Thursday. About 120 Lions and their daughters attended the traditional annual Father and Daughter luncheon and enjoyed a program that was full of talent and entertainment.

The program was planned so that some of the Lions's daughters presented their talents to the club members. Then, in turn, the club presented to the daughters its share of the entertainment.

IN THE FIRST GROUP were Caroline Colegate, daughter of Past President Roy Colegate, and Ruth Marie Samson, whose father, Herbert Samson, was program chairman of the meeting. These eight-year-old pianists each played two selections. Their teacher, Miss Annette Casaska, was a special guest of the fathers. These girls were followed by Corinne Olsson, a nine-year-old, whose remarkable voice is being developed by Mrs. Wynne Hammond. Her singing won the admiration of her audience. Another voice-pupil of Mrs. Hammond, teen-age Marilyn Mills, sang two numbers and showed ability and her personality to a high degree.

Following these young people, the group enjoyed the entertainment arranged especially for the daughters. Gwen Bari, now of El Mirador Gupper room, and long a favorite of Lions club members, delighted her mixed audience of fathers and daughters with her carefully selected program. Miss Bari was complimented not only for the beautiful rendition of her songs to which she played her own accompaniment, but for the choice she had made of her numbers. They were ideally suited to the audience and reflected the careful thought given to their selection. Miss Bari charmed the daughters with her complimentary remarks on the talents of the youngsters who had appeared on the program, and in turn she provided an inspiration to them.

Miss Bari was followed by William Schuss of Lake Arrowhead. Schuss is manager of the Bank of America at Lake Arrowhead, but is in great demand as an entertainer. His pantomime performance, with background of music, had the audience in laughter and added to the variety and pleasure of the program.

County Fair

Supervisors Ask
Cash for Building

County supervisors sought \$120,000 Monday to build an added commercial exhibits building on Indio's county fairgrounds.

They sent the request to the state department of public works, which has control over funds available for permanent improvements to county fairs. Riverside county has received many substantial appropriations.

The supervisors acted on advice from the County Fair board and County Fair Manager Robert Fullenwider.

Cathedral City News

By Paul and Mildred Clark—Phone 8-4691

Clark Heads C.C.

The newly elected Chamber of Commerce directors held their first meeting last week, and elected officers for the ensuing year. Elected were president, Paul W. Clark; first vice president, Leslie G. Kelley; second vice president, Charles Scherck;

secretary, Warner Moon; treasurer, Carl Emerson.

Clark said "The Chamber of Commerce has an excellent board of directors this year. All are men who have the interests of the community at heart, and who have proved their willingness to work for the betterment of our village. With their combined efforts, we hope to continue the development of Cathedral City both as to appearance, civic improvements, and population."

He added that committee appointments will be announced next week. A communication from the Niland chamber of commerce was read, asking for assistance in promoting an extension of Highway 111 from Niland direct to Yuma. This proposed cut-off would save 36 miles between Indio and Yuma over the present routes either via 99 or 111. The proposed cut-off would follow the line of the Southern Pacific railroad, and is almost a level route. It is at present open as a dirt road except for about eight miles which is now being graded by means of voluntary contributions to the Niland chamber of commerce. Ed Welch, an Imperial Valley rancher for many years, who is

representing the Niland chamber, asserted that the proposed highway would tend to channel a greater percentage of tourist traffic on to Highway 11, and thus on through Riverside county instead of to the coast at San Diego.

White Elephants

The Lions club held its annual white elephant sale at its dinner meeting at the Town Hall last Thursday evening. With Bud Rupp as auctioneer, a goodly sum was raised which will go toward purchasing a sound projector, and toward the club sponsorship duties of the Boy Scouts. Scott Thompson last week took the Scout Troop on an overnight camping trip to Salton Sea and the Mud Pits. Scouts who made the trip were Jerry Noe, Don Faulkner, Bobby Gordon, John Gallarini, George Gallarini, Wylene Anderson, Mike Woode, Marion Woode, David Sing, Bruce Philin, Russell Humphries, Dennis McNamara.

Herb Henry, a member of the Lion Scout committee, took a group of explorer scouts on a fishing excursion to the Colorado river last weekend. The explorer scouts taken were Gershwin Haltman, Rodney Gorges, Marvin Gallarini and Leslie Pratt. Lion President Jim Wolseth said that the open air cowboy breakfast held in Sunair Park under the chairmanship of Claude Cobb was a big success. The western breakfast consisted of steak and eggs, and only one steak was left over.

School Club Vote

New officers for the coming school year were elected at last week's meeting of the Cathedral City School club. Mrs. Dorothy

Angel will serve as president. Mrs. Hazel Ketchersid as first vice president, Mrs. Evelyn Scott as second vice president, and Mrs. Johanna Lake as secretary. Treasurer, Mrs. Elizabeth Barrett, as chairman of the committee to select needed gifts for the school, announced the following recommendations of the committee: Nine baseball gloves, heavy shade to darken the cafeteria for showing movies, a three-speed phonograph, View Master projector, 110 reels and 7 individual viewers for each room, four pictures for classroom, two large drip coffee pots for club use. Mrs. Richardson's 4th grade class gave an interesting demonstration of arithmetic teaching methods. Capt. J. R. Hughes, of the sheriff's office of Riverside, presented films and made comments on problems confronting school children today at home, school and play. They were: Dangerous Stranger, Live and Learn, Drug Addiction.

Here and There

Mr. and Mrs. Hugo Ruuhela of Hibbing, Minnesota, are visiting Mrs. Ruuhela's uncle, Mr. Edward Biles and Mrs. Biles. Mrs. Biles is still confined to her home as the result of an automobile injury, but is making good progress toward recovery.

Mr. L. E. Tate, 60, a resident of Cathedral City for the past three years, died in Arlington hospital Monday, April 6, and was buried in the Arlington cemetery last Thursday. Mr. Tate was a native of Champaign and Urbana, Illinois. He is survived by his widow, Eva, and a son, L. B. Tate of Alhambra. Mrs. Mildred Clark's mother,

Carnation Corner

When we were talking at the Carnation plant about the preparation of our delicious new Treat-of-the-Month — Banana Nut Ice Cream — this thought occurred to me. "My how our readers would be amazed at the way we baby those bananas so they'll be just right!"

From the time top quality bananas are chosen by experts in the tropics, they are guarded, inspected and "habied" every step of the way!

These superior bananas are pureed, blended with fine Carnation Ice Cream and choicest walnuts that are never chopped or ground! They are ever so carefully cracked, so they'll retain all their true, rich walnut flavor. I know you'll enjoy this treat!

BUTTON, BUTTON

Save the clip small safety pins come on. Ideal to hold shirt buttons in your sewing basket!

Super Duper SUNDAES

Carnation Banana Nut Ice Cream is good by itself — and with one of the following "quickies", it takes the gorgeous goodness of a fancy sundae for your special occasions!

CREAMY CHOCOLATE TOPPING: Melt 1 cup semi-sweet chocolate bits in double boiler. Stir in 1/2 cup Carnation Half & Half; beat until smooth (for thinner sauce, use 3/4 cup Half & Half). Makes about 1 1/2 cups of sauce.

CHOCOLATE MARSHMALLOW MINT: Melt 1 cup chocolate mint wafers and about 16 (4 oz.) marshmallows together in double boiler. Stir in 1/2 cup Carnation Half & Half. Makes about 2 cups of sauce.

MARSHMALLOW TOPPING: Heat 1/2 cup Carnation Half & Half with 1 cup diced marshmallows over low heat or in double boiler. When marshmallows begin to melt, stir until smooth. Makes about 1 1/2 cups topping.

2 or 3 ORDINARY MARBLES

in your teakettle or the bottom of your double boiler will absorb the lime that usually stains the metal. Also, they give a warning rattle if the pan boils dry.

Banana Nut Ice Cream, and all Carnation Ice Creams are made only with the finest, richest Carnation milk and cream, scientifically pasteurized. We all know that the wonderful pasteurization process which guards the purity of our dairy products, comes from the French scientist, Louis Pasteur.

One little-known fact about Pasteur is that he suffered a breakdown in health when he was only 16 years old. Yet, with courage and determination, he overcame this early handicap, and lived a long, full life, rich in scientific achievements. His life is an inspiration to the young scientists who came after him.

ALL YOUR FAVORITE FLAVORS of Carnation Ice Cream, as well as each month's special Treat-of-the-Month, are now obtainable in 1/2 gallon cartons. Fine for a big family or party use—keeps better than a lot of little cartons. Enjoy delicious, pure Carnation Ice Creams often!

Gas Co. Offers Reward for Arrest of Strike Saboteurs

Southern California Gas company Thursday offered a reward of \$10,000 for the arrest and conviction of anyone found shutting off a gas meter.

The reward offer came as a result of numerous instances of valve shut-offs on services, particularly to apartment houses and housing projects.

A statement issued by F. M. Banks, president of the company, follows:

"Since the CIO Union called its unannounced strike against us shortly after midnight Thursday, April 2, there have been numerous cases of sabotage that have clearly been a by-product of the strike.

"IT IS ALMOST unthinkable that anyone, regardless of motives, would take a step which obviously interrupts a vital public service and endangers public safety.

"In a hand-out distributed by strikers on picket lines, the union said in part, 'your safety, comfort, and convenience are being completely disregarded by the company management.' We have stated to the public, and state again, that in the absence of illegal interference with our operations, there is no reason to expect interruption of gas service.

"The strikers' irresponsible act of walking out in a public service business at the hour of one minute past midnight, without notice to the company, speaks for itself as to their regard for 'public safety, comfort and convenience.' Such an act could only be designed to affect, to the greatest possible extent, the company's ability to continue to supply gas service to its cus-

tomers. However, this act did not accomplish its purpose.

"THE SUBSEQUENT acts of sabotage, presumably committed by strikers or strike sympathizers, speak for themselves even more clearly.

"We will continue to use every proper means at our disposal to maintain continuous gas service, and we appreciate the co-operation of our customers in limiting their requests to emergency service calls.

Drunk Suspect Found Carrying Illegal Cargo

While making an arrest for drunk driving Sunday, Officer Alex Budsey discovered that the driver of the car was engaging in a "taxi service" for "wet" Mexicans from Garnet to Palm Springs.

Arrested was Burt John Ricker, 49, of Garnet, who was stopped at the intersection of Vista Chino and North Indian avenue after Officer Budsey had followed him from 3333 North Indian avenue, clocking his speed at one time at 80 miles per hour. Budsey found two "wet" Mexican passengers in the car, and reported that Ricker told him that he charged them \$4 each to bring them from Garnet to Palm Springs. He admitted hauling others in the past, the officer said.

Border Patrol authorities were notified.

Ricker was fined \$150 at a hearing before Judge Eugene Theriault Monday.

Summit, a freshman at Pomona college, is taking a pre-medicine course. He was graduated in 1952 from Palm Springs high school.

The concert is a Parents' Day event on the Pomona campus. Parents of all students are invited to spend the day on the campus. Special events begin with College church services at 11 a. m. The public is invited to the concert, to which admission is free.

SEES TWO PROWLERS

Jimmy Lewis, 144 North Calle Encilla, reported to police at 12:51 a. m., Wednesday, that two men were prowling by his residence. Police were unable to locate any suspects.

No Dead Man—Just Cast-off Clothing

Deputy sheriffs from Banning raced to a point north of Palm Springs near the Twentynine Palms turn-off from Highway 99 Monday.

They had been informed that a dead man was lying there.

But all they found was some cast-off navy clothing lying among the desert flowers—no body.

The informant, who turned in the alarm, later admitted neither he nor his wife had actually seen the body but that the clothing was there.

Deputy sheriffs drove back

to Banning more slowly muttering about people in general and especially those who add discarded clothing to the empty beer cans, bottles and rubbish people toss on the desert.

Saturday morning services are scheduled for 10 o'clock and Religious School classes are held on Sunday morning at 10 o'clock.

ATONEMENT, CHRISTIAN SCIENCE TOPIC
The practical healing import of Jesus' atonement will be explained and illustrated in the Sunday Lesson-Sermon "Doctrine of Atonement" in all Christian Science churches.

The Golden Text from 1 John (1:3) reads, "That which we have seen and heard declare we unto you, that we also may have fellowship with us; and truly our fellowship is with the Father, and with his Son Jesus Christ."

The Apostle Paul declares (Hebrews 4:15, 5:9), "For we have not an high priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like as we are, yet without sin. . . . And being made perfect, he became the author of eternal salvation unto all them that obey him."

A correlative passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy says, "We acknowledge Jesus' atonement as the evidence of divine, efficacious Love, unfolding man's unity with God through Christ Jesus the Way-shower; and we acknowledge that man is saved through Christ, through Truth, Life, and Love as demonstrated by the Galilean Prophet in healing the sick and overcoming sin and death" (p. 497).

TO SPEAK FOR BONDS—Reuven Dafni, former first consul of Israel to the western states, who will address a Bonds for Israel rally at the Jewish Community Center Saturday evening.

Reuven Dafni to Address Bonds for Israel Rally

Reuven Dafni, the former first consul of Israel to western United States and now chief of the press section of the Israel Foreign Ministry, will greet a host of friends in his first appearance in Palm Springs since being recalled to Israel in 1951. The occasion, in behalf of the State of Israel Bond Issue, will mark the fifth anniversary of the establishment of the State of Israel.

The event will be held at the Jewish Community Center Saturday evening.

Dafni comes to Palm Springs with an illustrious history. In 1940, he volunteered for service in the British Army. Holding the rank of lieutenant in British Intelligence, he participated in the allied campaigns of the western desert, Greece, Crete and Syria.

DROPPED BY PARACHUTE behind the German lines in Yugoslavia (where he was born in 1914), Lt. Dafni led a group of Jewish volunteer parachutists in a dangerous mission, which included securing enemy intelligence for the British, organizing sabotage and demolition work, and rescuing Jewish prisoners and Allied fliers.

Reuven Dafni was credited with the rescue of 142 Allied airmen, mostly Americans, from the heart of enemy territory. At the same time, his group was able to save over 2000 Jews who were taken to Italy, and thence to Israel.

JEFF CHANDLER, star of screen, TV and radio, will make one of his infrequent appearances in Palm Springs at the Israel Festival.

Raasche, songstress, will present a program of Israeli folk songs.

Admission is free, according to Aaron Sternberg, chairman of the Palm Springs committee for Bonds of the Israel Government.

Fear and Worry

Topic of Sermon

How to banish fear and worry will be the topic of the Rev. Pearl Lady Moore at the Youth Center Sunday evening at 8:30. Rev. Moore is minister of the Pomona Church of Religious Science.

Villagers Attend Special Episcopal Fund Meeting

The Rev. William A. Blondin, rector of St. Paul's in the Desert, Episcopal church, and several lay representatives, were in attendance today at a special convention of the Diocese of Los Angeles, to discuss the Episcopal Advancement Fund, a major financial campaign by the Episcopal church in southern California. The Diocese of Los Angeles will launch a financial drive designed to raise \$1,125,000 for use in the Diocese. This campaign was authorized by the convention in 1951. It will be used primarily for institutional work in the Church's mission. The three-year program will begin early this summer.

Services next Sunday, the second Sunday after Easter, at St. Paul's were listed by Father Blondin as follows: 8 a. m., Holy Communion; 9:30 a. m., instructional celebration of Holy Communion for the church school; 11 a. m., morning prayer and sermon by the rector.

Next Thursday the semi-annual United Thank Offering will be received at the Holy Communion service at 10 o'clock in the church. Mrs. Edward Maggard is in charge of the Thank Offering for 1953.

Dr. Hedges Refuses Post at Hospital

Dr. Charles Hedges of Carpinteria who was appointed administrator of Riverside county General Hospital recently, has refused to take the job.

His letter turning down the offer came as a surprise to the board and to hospital authorities.

Go Greyhound

SURE, a car is a wonderful thing to have. But, we know for a fact that in many cases it's far more convenient and economical for you to go Greyhound. Experts say it costs \$8 a mile to own and operate the average car—that includes the "hidden" costs that many motorists usually don't count.

COMPARE this with Greyhound's low-cost, frequent, convenient service with no parking or traffic worries and you'll realize why we say—"Save yourself, your car and your money... Go Greyhound!"

Winter season in the Village or nearby areas.

The co-educational school for grades seven through 12 opened on October 6, 1952, fulfilling the desire of many Villagers who long advocated the establishment of private school facilities here.

Field, graduate of Harvard, has had 27 years of experience in directing private schools. He was owner-director of the Mesa Ranch school of Mesa, Arizona, for 13 years, and also owned and directed the Judson School for Boys at Phoenix, and the Joke School for Girls. He also served as secretary-treasurer of the Arizona Independent School association.

THE POLICY of the school, which has been carried out this year and will be in future years, as explained by Field, follows: "Small classes with an unusual amount of individual attention features the scholastic program. Special emphasis is placed on fundamental subjects such as English, mathematics, languages, science and history. "Intensive preparation is given for all colleges, and students whose grades are satisfactory

will have no difficulty in being admitted to the university of their choice. College board examinations are taken by all members of the eleventh and twelfth grades who plan to enter college.

"FACULTY of the Palm Valley school consists of an unusual group of instructors long experienced in the teaching profession; men noted not only for their knowledge of the subjects they teach, but also for their ability to impart them to others. Students are taught how to study as well as what to study. "Strict supervision is maintained at all times, both during the morning study periods and in the afternoon athletic period."

Facilities at the school, located in one of the most beautiful settings in the Palm Springs area, include seven large classrooms with large sliding glass doors, a science room, two locker and shower rooms, administrative office, a modern kitchen and cafeteria and dining room, a large swimming pool, and a main building with a large living room, a kitchen and two bedrooms.

Warm, sunny days... perfect for golf, tennis, swimming and riding... and warm, star-lit nights... just right for al fresco dining and patio parties... carry on the legendary allure of Americas foremost desert resort...

There was a galaxy of stars at the "Come... let the stars get in your eyes" party... given by Helen and Bill Reichel... in the Starlite Patio at El Mirador Tuesday night... The canopy was rolled back... and the lights were on upstairs... In the star-sprinkled heavens... Over the sumptuous canopy table... was a mammoth reproduction of the design used on the invitations... with the stars and the bar of music... Golden stars were pasted on the glass doors... and topping things off... was the invasion of Sheriff Ray Ryan and his girl deputies... wearing their star badges... George Kainapau and his Hawaiian Serenaders played their beautiful music... and everyone had a marvelous time... In the crowd I noticed... the Charles Beckers, Tom Flemings, William Maloufs, Norm Waters, Florian Boyd, Earl Hendersons, Percy Whitesides, Ward Risvolds, Anita Haskell Jones, Fred Ingram, Frank Bogert, George Strebe, Waltham Clarke... the Dean Vincents, Rudi Sidlers...

Handsomeness and green invitations... were received this week by a lot of Village Malihinis and Kamaainas... bidding them to... "come native and act native"... at a luau to be given by Mrs. Bertine Treat at her home on San Lorenzo... on the evening of May 2... There will be cocktails from 7 to 8:30, with music by "Hawaiian Trio"... and then a Polynesian paina...

Three-year-old Sharon... had her parents and grandparents... and all the poolside spectators agog... when she climbed up on the diving board and dived off into the pool... She liked it so well... that she dived in about 35 times... The next day she had a wonderful time on the slide at Shadow Mountain club... In fact, the children had so much fun that they didn't want to go home... They had to be coaxed... as five-year-old Bobby had a date... He escorted Yasmin (daughter of Rita Hayworth and Prince Aly Kahn) to a picnic...

A postcard from Jack Williamson... which came in an air mail envelope from San Francisco... has a picture of the Bay Bridge on it... Jack writes that he had a leisurely trip up the coast... playing golf at Montecito, Carmel, Pebble Beach and San Francisco... He said he had driven through a snowstorm in the mountains... had seen a number of Palm Springs friends... and would be back next week to soak up some more Palm Springs sunshine... before going East... and then to England for the Coronation...

Folk Songs at Woman's Club Monday

By RUTH MARTIN

Two lovely girls, thian-haired Beverly Gile, contralto, and blond Frances Archer, soprano, will be star attractions at the Palm Springs Woman's club Monday, April 20, when they appear in a program of "Stylized Folk Songs" dramatically presented with guitar accompaniment.

Wherever these talented and attractive young artists have appeared they have received instant praise and recognition from the most discriminating critics and have given unprecedented enjoyment to audiences because of the excellence of their material, the unusual musical arrangements and rich quality of their voices. Although their repertoire is extensive, special emphasis is placed on stylized presentations of Elizabethan, early American, and popular ballads and folk songs.

Since this is the final meeting of the season, the Palm Springs Woman's club will follow its usual custom of entertaining members and guests in the picturesque patio which is always so beautiful at this time of the year. All members and guests are cordially invited and urged to attend this delightful event and enjoy the particularly splendid program where warm and friendly informality prevails.

Exhibit of Flowers Draws Thousand to Club Display

By MELBA BENNETT
A thousand visitors saw the Exhibit of Flowers presented by the Garden Club of Palm Springs in Kelley's at the Center on Saturday. At 9:30 in the evening latecomers had to be turned away. The public do their own judging of the displays, and not content to mark their three "favorites" on the ballot, interest was so marked that the majority of the cards also carried such remarks as "every entry should have a prize," or "impossible to limit selection to three." There were many who commented on the excellence of the arrangement of the exhibition.

Visitors included not only garden enthusiasts from Pittsburgh, Evanston, Seattle, and Louisiana, but the Girl Scouts of Long Beach were conducted through as an educational project.

First prize, with 233 votes cast, went to the charming arrangement of Dainty Bess roses entered by Mrs. George Manington. Second prize, with 200 votes cast, went to Mr. Foster Simonson's interesting arrangement of pansies in a long slender palm frond. The third prize was awarded to the unusual and artistic dry date arrangement entered by Mr. Oscar Robinson. Honorable mention was awarded the miniature cactus garden of Mr. Chester Moorten and the exotic display of passion flowers of Mrs. Alexander Marcuse.

Attracting much comment were the specimen entries of roses grown in Palm Springs gardens, and the ingenious use of driftwood and succulents used in the arrangements of Pat Lucore.

Mrs. Fern Jones, Garden Club chairman of the Flower Show, received many compliments on the novel feature she had instituted of presenting each lady with a small corsage in a lapel water-container.

The wide variety of flowers used in the 125 entries from local gardens proved that "anything" can be grown in Palm Springs. Impressed, not only by the quality of the show, but by the interest it excited, Rey Kelley announced that next year he will donate a silver cup to the Garden Club, the name of each year's winner to be engraved on the trophy.

Through the courtesy of Mr. and Mrs. Walter Kirschner, beautiful late model cottages in both dressy and sport styles, will be presented in a show on the grounds of their beautiful estate in La Quinta on April 26, 8 p. m. Professional models from Los Angeles will model the gowns and there will be music and entertainment, as well as refreshments.

The show, a cancer crusade benefit, is sponsored by the Coachella Business and Professional Woman's club. A \$2 donation buys a stamped Cancer Crusade receipt which is good for one admission. These may be obtained from club members or at the gate on the 26th.

For reservations, please call Indio, 7-4454 or Thermal 9-541. All money received will be turned over to the Cancer Crusade now in progress in Coachella Valley.

1950-1952 and vice chairman of the Republican Western States conference will leave Monday, April 20, for Washington, D. C., where a conference of women political leaders will be held April 22-23.

A great appreciation for the large contribution in the recent presidential campaign, made by Palm Springs citizens, both Re-

publican and Democrat was expressed by Mrs. Lehman, who said, "We elected an American President and Vice President with the cooperation and enthusiasm of both political parties."

The Washington conference will be devoted mainly to the discussion and planning of how to help President Eisenhower in the monumental task which confronts him and the nation, Mrs. Lehman said.

On The Trails

Beautiful Andreas Canyon . . . will be the setting from now on this season for the Desert Riders Tuesday breakfasts . . . The rustling palms . . . with the cool, cool waters . . . is truly . . . "The Place Where I worship" . . . and sneaking of this beautiful song, Virginia Dollard is having a plaque made of these inspiring words . . . a lovely idea. The Dollards' recent breakfast guest was O. E. L. Graves, the artist Ed McCoubrey had Jack Martin, the Santa Barbara Cadillac dealer . . . Mr. Hugh Harrison brought Mrs. Joseph V. Mannus of New York City . . . Ted Slocum's guest was Charles Meyers of Beverly Hills, and we hope a future member . . . Not McDougall of Portland, Oregon, brought his golf-champion daughter Marian . . . Marielinda Clay Borden, one of the earliest members, was there again as was Melba and Dee Dee Bennett who had as their guest Mrs. George Murphy of Beverly Hills . . . Mildred Potter had Melba Richman of Playa Del Rey, Johnny Boyle sang as he usually does, in such good spirit and with so much fun.

The 7-uppers were entertained again by Mildred Potter at her lovely Happy Hollow, and were lunched at the Doll House. This group is made up of those who enjoy the longer rides into obscure canyon places and off across the expansive desert. They come back with interesting tales of a lost beach or distant mud hills and inspire the others into begging to be allowed to join them. Mildred's guests included Jane Neal, Keta Boyer, Virginia Dollard, Lorraine Hills, Claire Woodmansee, Billie Moseley, Carol Brill and out-of-towner Melba Richman.

Running true to form, D. V. Garston cleaned up the trails by killing a large rattler just before he left for distant Connecticut.

The Los Compadres also had a breakfast ride to Andreas Canyon on Sunday last, with a large turnout. The Shirley Cooper-hot cakes and Billie Moseley-eggs with luscious sizzling Hatchett's ham and huge pots of steaming Russell Hill's coffee . . . must have been tempting to the spirits which most assuredly still haunt that beautiful Happy Hunting Ground.

Hats off this week to Billie Moseley who so continually seems to be elected head of the club's food committee—and so efficiently runs it.

ANITA HASKELL JONES.

Rotary Club's Honeymoon Weekend Scheduled Here

The 18th Annual Honeymoon party of the Los Angeles Rotary club will take place at the Desert Inn Thursday, April 23, through Sunday, April 26, with about 200 members and their wives participating in the gala weekend of fun.

The theme of this year's party will be "Go Western," with colorful Western garb enlivening the various events scheduled.

The "Honeymooners" will start off at a cocktail party to be given by Ruby Ann and George Worster of Los Angeles, on Thursday evening. The Worsters were the originators of the first Honeymoon Party, which took place at Catalina Island 18 years ago.

On Friday evening, Helen and Ken Kirk will have a cocktail party for the entire group at their Palm Springs home on Camino del Norte, honoring the officers, directors, and Committee Chairmen of the Los Angeles Rotary club. Later, the crowd will return to the Desert Inn grounds for a Chuck Wagon dinner and Western entertainment.

There will be a special luncheon for the ladies on Saturday, featuring a hat parade and contest. All hats will be designed by the ladies themselves, to represent Western songs, books, or plays. On Saturday evening, there will be a cocktail party and formal dinner dance at the Inn.

During the weekend there will be tournaments of golf, bowling, putting, and bridge, with members carrying off a fine array of prizes on Sunday. Laurence T. Greiner is chairman of the Honeymoon Party and Mrs. Greiner is chairman of the Ladies' luncheon.

Among those who have made reservations for the program of events are: George Worster, Past Director of Rotary International, and Ruby Ann; Hazel and Elmer Franzwa, Governor of District 160; Dr. Charles Titus, Incoming District Governor, and Ruth; Helen and Kenneth Kirk, President of Los Angeles Rotary; Winthrop Miller, Vice President, and Carol; William McCloy, Incoming Vice President, and Frances.

Houseguests of the Kenneth Kirks will be Ruth and Carl Miller, Treasurer and Past District Governor.
